

## Welcome to Taipei!

0. For getting around by taxi, please use the bilingual helper cards in the other file to give instructions to the taxi drivers. If you are coming to the conference venue by Taipei MRT (the subway), get off at the “Taipei Nangang Exhibition Center”. There is a taxi stop outside of Exit 5. From there it takes about 10 min by taxi to go to the conference venue.

1. The conference venue is the Humanities and Social Sciences Building at Academia Sinica. This is building no. 24 on this campus map:
